

# International Conference EcoBalt 2023

## "Chemicals & Environment"

Tallinn, Estonia, 09 – 11 October 2023

Venue: Nordic Hotel Forum

### Welcome to Tallinn!

The 23<sup>rd</sup> biennial conference EcoBalt2023 will take place in Tallinn, Estonia, continuing the tradition of international conferences EcoBalt in bringing together scientists, students, regulators and industry representatives from the Baltic States and nearby regions.

EcoBalt2023 aims to serve as a forum for environmental scientists, ecologists, analytical and organic chemists, material scientists, toxicologists, and risk assessors to discuss the current topics related to the environment.

### Main conference topics:

- Environmental Chemistry
- Environmental Toxicology
- Ecology
- Analytical Chemistry
- Green and Sustainable Chemistry
- Implications and applications of nanomaterials

### Scientific Committee:

**Arturs Viksna**, Latvia  
**Aivaras Kareiva**, Lithuania  
**Anne Kahru**, Estonia  
**Ivo Leito**, Estonia  
**Vera Slaveykova**, Switzerland  
**Riina Aav**, Estonia  
**Margus Lopp**, Estonia  
**Mihkel Koel**, Estonia  
**Ülo Niinemets**, Estonia  
**Marina Kritševskaja**, Estonia  
**Timo Kikas**, Estonia  
**Angela Ivask**, Estonia  
**Eglė Lastauskienė**, Lithuania  
**Polonca Trebše**, Slovenia  
**Teemu Näykki**, Finland

### Important dates:

Abstract submission and registration open on **1 March, 2023**

Abstract submission closes on **1 June, 2023**

Notification of abstract acceptance by **1 July, 2023**

Early-bird registration deadline: **1 August, 2023**

Late registration deadline: **1 September, 2023**

### Organizing Committee:

**Monika Mortimer**, Chairperson, National Institute of Chemical Physics and Biophysics, Tallinn, Estonia

**Anne Kahru**, National Institute of Chemical Physics and Biophysics, Tallinn, Estonia

**Villem Aruoja**, National Institute of Chemical Physics and Biophysics, Tallinn, Estonia

**Ivo Leito**, University of Tartu, Estonia

**Riin Rebane**, University of Tartu and Estonian Environmental Research Centre, Estonia
